Thurs. 2/1 - Open Registration Begins

We will be offering the same classes as this year and the fees for next school year will be announced later this week.

Here's what happened over Christmas break!

We have a trike path on the big playground! New trikes have arrived and our 3 & 4 year olds will get to enjoy them this spring on our awesome trike path! A very **special thank** you to **Dino Zevas** and the work crew from **Brasfield & Gorrie Construction Company** for installing the path for us!

We had to have one of our beautiful oak trees on the big playground removed due to damage it sustained during Hurricane Irma. Although it didn't pose an immediate hazard, we were told that it's health was definitely compromised.

Check this out ECC moms!

NEW WOMEN'S BIBLE STUDY

Beginning **Thursday** morning, **January 18** from **9:30-11:30** **Dustin James** will lead a **6-week Bible study**. The study will be using Margaret Feinberg's book: **Fight Back with Joy - Celebrate More, Regret Less and Stare Down Your Greatest Fears**.

I want to personally invite and encourage ECC moms to attend. It will be a time of fellowship with other women as well as a great study. The 9:30-11:30 time works great if you have children in class that day. Babysitting will be available at no charge, as well!!

For more information you can stop in the church office or call them at 407-365-3255.
